To help freelancer writers create a personal road map to business success, Paul created a workshop based on his experiences. He has now turned his popular workshop into The Six-Figure Freelancer. "Your expert plan, as outlined in your book, has demystified the marketing and other business aspects of writing for me. I find your instructions to be straight forward, informative, and valuable." - Bonnie Zink, Corporate Writer, Researcher, and Editor. Focusing on writing for corporate markets (including businesses, associations, government agencies, non-profits and other organizations), The Six Figure Freelancer demonstrates how to plan and market your way to freelance writing success.
