What's Done In the Dark ReShonda Tate Billingsley

#1 national bestselling author ReShonda Tate Billingsley gets to the heart of loss, love, and betrayal in her latest novel that is sure to delight her legions of fans.

Felise is not the kind of woman to cheat on her husband—especially with her best friend’s man. But after one perfect storm of a night, it happened...and she can hardly believe it herself. To top it off, when she woke up in the morning, she found that the man to whom she guiltily made passionate love died of a heart attack overnight. Felise, who is a nurse and a good citizen at that, leaves the hotel room without reporting his death.

When her best friend, Paula, finds out about her husband’s sudden death a day later, Felise is overcome with guilt and grief. She must be there for her friend and her family, but when her husband repeatedly tries to apologize for his absentminded behavior and Paula starts investigating who Stephen was with the night he died, Felise finds it hard to hold herself together. Should she come clean and tell everyone what she did? Or should she just let it go and move past the mistake on her own?
