Idioms represent the most colorful language used in everyday conversation yet tend to be the most difficult for foreign learners to understand and for teachers to convey. Idiom Attack is a collection of 300 North American idioms in common usage today, arranged in an easy to read and understand format. 25 topical chapters provide easy access for intermediate to advanced students of English. Only the most useful idioms and phrasal expressions are included, with meanings in both English and Chinese for comparison. Example sentences provide contextual support for more in depth understanding and practical application and stories challenge learners with the application of language with follow-up comprehension questions designed to coax them to use the target language. Finally, discussion questions encourage deeper dialogue and practice with opportunities for reading, writing, listening and speaking.

Redewendungen stellen den facettenreichsten Sprachgebrauch der Alltagskommunikation dar, sind allerdings auch am schwierigsten für Lerner zu verstehen und für Lehrer zu vermitteln. Idiom Attack ist eine Sammlung von 300 nordamerikanischen Redewendungen, die im heutigen Sprachgebrauch auftreten. Sie werden hier in einem leicht zu lesenden und leichtverständlichen Format dargeboten. 25 aktuelle Themenkapitel bieten einen einfachen Zugang für Englischlerner auf mittlerem bis fortgeschrittenem Niveau. Nur die nützlichsten Redewendungen und sprachlichen Ausdrücke sind aufgeführt, einschließlich ihrer Bedeutung auf Englisch wie auch auf Deutsch zum Vergleich. Beispielsätze bieten kontextabhängige Unterstützung zum tieferen Verständnis und zur praktischen Anwendung, und Kurzgeschichten fordern zur Anwendung der Sprache heraus, mit anschließenden Verständnisfragen, die zum Gebrauch der Zielsprache animieren sollen. Schließlich regen Diskussionsfragen zum tieferen Gespräch mit Anwendungsmöglichkeiten in den Fertigkeitsbereichen Lesen, Schreiben, Hören und Sprechen an.
