Book 1: Do you need some help with your iPhone 6? The iPhone 6 and iPhone 6+ are two of the most powerful smartphones in the world. Many people would argue that they are the absolute best devices available anywhere.

This handy guide will explain many wonderful features, so you can impress your friends and family, and look like a total pro! Don't be one of those people who doesn't know how to use their expensive smartphone. Grab this excellent guide and learn how to harness the power inside your smartphone today.

Book 2: In recent times, the Samsung Galaxy Series has started to be hailed as the flagship smart phone, despite heavy competition from smart phones from competitors such as the iPhone and the HTC One. With the launch of the new S6, more and more people are looking to buy this excellent smart phone. However, this leads to a great problem: how does one use this smartphone? This is where this guide comes in!

Book 3: This book is to guide you through using your new Amazon Fire Phone. The user manual is written in terms you can understand, unlike the user manuals that come with phones. I know that not everyone knows technical terms, so I decided it was time for a simpler way. You will learn every aspect of your new phone plus a chapter of tips along with a chapter of tricks.
