Stranger: A Death Valley Mystery Melissa M. Garcia

There is a dead body in room 110 of the Death Valley Motel, and the evidence points to murder. Managers Ric and Alex Delgado are siblings with police work in their blood; they chose this small Death Valley town specifically because it appeared to be a quiet place where Alex could heal from the violent traumas of her past. Now a killer has struck too close to Alex, opening old wounds and threatening the calmness and routine of her new life.

The situation gets more complicated when Detective Will Stellar trains his observant eye on the Delgados and ascertains they have something to hide. Murder seems to follow Alex Delgado, and Detective Stellar is certain that she is a dangerous woman. Racing against time and against each other, the Delgados and Detective Stellar risk their lives to uncover the truth, which is ever more complicated and dangerous than any of them could have ever imagined.
