“Every Christian agrees that there is no book in all the world like the Bible. Within its covers lies the knowledge of God and of eternal life. It is the place where Jesus is revealed to us and where we see ourselves. Like the fields of Boaz in the book of Ruth, it is full of heaven-sent bread, open to us to come, glean, and feed upon its riches. It is a home report of heaven and a guide for getting there. The Bible truly stands alone. But perhaps Christians do not agree on which edition of the Bible is the best in the world. Having looked over the following pages, I think I may have found it. This is a study Bible whose additional articles, notes, tables, and quotations have only one purpose: to place the text of Scripture in the highest possible prominence and to help us understand it in the clearest possible way. For serious followers of Christ, the Bible is indispensable; for serious students of the Bible this edition will soon become indispensable also. To God be the glory for His Word, and to the publishers our gratitude for this splendid edition.” – Iain D. Campbell, Point Free Church, Isle of Lewis, Scotland

“This monumental production is surely destined to be of immense help to countless users for years to come. Its scope is extraordinary, its guiding principles are rock solid, and it is remarkably readable. I know of nothing like it, and I commend it warmly.” – John Blanchard, internationally-known author, evangelist and Christian apologist

“The publication of the Reformation Heritage KJV Study Bible arrives on the scene as other translations seek to sweep the poetry and beauty of the English language aside. The KJV is a timeless translation of the most influential and life-changing book ever to be printed on the page. You hold in your hands a book that men of great faith have given their lives to see printed in the English language. Reformation Heritage Books has done a beautiful job in compiling excellent materials for this new study Bible. Specifically, this study Bible assembles key articles defining and explaining Reformed theology from the perspective of the Reformers and Puritans. An especially valuable feature is the notes included within each chapter that encourage personal and family devotions. Read the words of this Bible, praying that God will apply the truth

to your heart and life.” - Steven J. Lawson, president, OnePassion Ministries, and professor of preaching at The Master’s Seminary
