Comments From Other Readers

"I'm not a very crafty person but I spend a good deal of time traveling. This gives me hours of just sitting in airports, on planes, in taxis, or hotel rooms. Reading has been my go to boredom buster but for the longer layovers and flights, you can only read so much. To keep my mind stimulated I wanted to pick up a new

hobby so I thought I'd look into crocheting. It seemed easier than knitting. I was surprised at how easy it really was! In no time I was able to hook out a simple blanket. Now I have something comfortable to take on those long plane rides!" - Sally B. (Washington DC, USA)

"My mother tried to teach me for years when I was younger how to knit and crochet but I honestly wasn't interested. Recently, I was given a beautiful blanket from a friend. When I asked her where she got it from, I was shocked when she told me that she made it herself. I wanted to learn more and she recommended this book to me. I'm so glad that she did. I wish I had listened to my mother sooner when she said that this was an easy hobby to pick up. Now I'm well on my way to making her an awesome gift!" - Bobbi (Toronto, Canada)
