The Menace of the Religious Movie A. W. Tozer

"Within the last few years a new method has been invented for imparting spiritual knowledge; or, to be more accurate, it is not new at all, but is an adaptation of a gadget of some years standing, one which by its origin and background belongs not to the Church but to the world. Some within the fold of the Church have thrown their mantle over it, have "blessed it with a text" and are now trying to show that it is the very gift of God for our day. But, however eloquent the sales talk, it is an unauthorized addition nevertheless, and was never a part of the pattern shown us on the mount. I refer, of course, to the religious movie." A. W. Tozer
