Expansión de Horizontes/Expanding Horizons (Spanish Edition) James A. Long

De donde venimos? Por que estamos aqui? Cual es nuestro destino final? He sido privilegiado a traves de los anos en dialoga con individuos y agrupaciones de gente en varias regiones del mundo. En estas conversaciones se destacaba una realidad aparte de todo lo demas, la busqueda de una filosofia factible a la que se pudieran aferrar en su interior y a la necesidad correspondiente de poder corroborar la percepcion intuitiva de que si hay una aclaracion o explicacion de los multiples problemas y paradojas de la vida. Con el reconocimiento de que la civilizacion muestra, mas que nada la evolucion y el producto del caracter humano, nuestras conversaciones sondearon aquellos principios espirituales que pueden utilizarse en cualquier circunstancia, sin hacer caso de la profesion de fe, la politica, la cultura o la clase social personal. Pues cualquiera que sea la trayectoria de experiencia de uno, siempre hay un terreno comun de valores en que muchos pueden concurrir.
