Sufficient Ransom: A Novel Sylvia Sarno

What a mother wouldn't do for her child. Ann Olson takes her life for granted until her young son, Travis, disappears from the backyard one evening. Searching for her son, Ann throws caution to the wind. Soon, she finds herself enmeshed in the seedy world of Mexican drug dealers who operate just across the border in Tijuana. Does Ann, an atheist, embrace Christianity despite her husband warning that her pastor friend is more interested in converting her than in finding Travis? Does she make it out of the drug tunnel alive, or is her rashness her downfall? And is Travis's disappearance related to that of other recently missing children in San Diego? A story of a mother's love, courage in the face of evil, and her unexpected journey of self-discovery along the way.
