The Apocalypse Fugitives: The Undead World Novel 4 (Volume 4) Peter Meredith

The #1 top-rated horror novel on Amazon: *The Apocalypse Fugitives!*

Beaten and battered in mind and body, the fugitives limp west, unaware that the human world is fading all around them, unaware that the last remnants of the goodness of man is being ground under the heel of evil at every turn. When confronted with that evil, fight or flight are their dire choices, only Neil's small group is forced to take on more refugees who come to them empty-handed, unarmed, and hungry.

Neil is faced with the disturbing prospect of guiding them across two thousand miles of zombie-plagued-land, only to stumble at his first hurdle: the mighty Mississippi has become a river of death and, like the fabled River Styx, the only way to pass is to pay the river man his fee. His price: warm bodies.

What the readers say about The Apocalypse Fugitives:

"I would rate this series as among the BEST in zombie fiction..."

"I love Jillybean! Jillybean for president!"

"This series, by far, is the most compelling, well-written zombie series out there."
