It is the result of years of extensive and painstaking research. Within its pages are shocking, yet convincing revelations that force readers to reconsider what has been established as truths about mankind's past and purpose on planet Earth. It harmonizes the Biblical account of Creation and the Theory of Evolution. It applies historical events to the events described in the Biblical book of Revelation. It proves that the earth gods of antiquity are the biblical fallen angels, or demons, today's "extraterrestrials." It is non-proselytizing and reader friendly, and all theories are supported by scientific data, historical facts, and holy texts. It answers the age-old questions of: "Who are we?" "Why are we here?" and, "Where are we going?"
