#### **David Otten:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Welcome Speeches and More can make you experience more interested to read.
