Whatcha' See? Are You Getting Used to the Dark? Frank E. McLeod

Jesus said, "The light of the body is the eye...if therefore the light that is in thee be darkness, how great is that darkness!" Whatcha' See? challenges readers with the recognition that they have, perhaps unknowingly, grown used to the darkness of a life away from God's light. The book features a unique, biblical parallel between how physical eyes adjust to the darkness, and how man originally moved away from God's light and eventually grew comfortable in the darkness. The author utilizes physical examples and practical guidelines to make his point. He also quotes numerous scriptures from Genesis to Revelation, to indicate the importance of what man sees in relation to his walk with God. Whatcha' See? helps readers refocus their vision on the glory of God and not allow their eyes to drift away from that focus. Author Dr. Frank E. McLeod is a full-time pastor who lives in the metro Atlanta area. His inspiration for Whatcha' See? comes from a gospel song he once heard titled "Getting Used to the Dark." The song inspired McLeod to study in-depth biblical references to light and dark. His next book is a Bible study on God's perfect will on the topic of alcohol.
