Operation Solo: The FBI's Man in the Kremlin (Cold War Classics) John Barron

Operation Solo is America's greatest spy story. For 27 years, Morris Childs, code name "Agent 58", provided the United States with the Kremlin's innermost secrets.

Repeatedly risking his life, "Agent 58" made 57 clandestine missions into the Soviet Union, China, Eastern Europe, and Cuba. Because of his high ranking in the American communist party and his position as editor of its official paper, the *Daily Worker*, he was treated like royalty by communist leaders such as Khrushchev, Brezhnev, and Mao Tse-tung. Through first-hand accounts, *Operation Solo* tells the story of the conflicts within the FBI and American intelligence about the operation, and how the FBI, through extraordinary measures, managed to keep that operation hidden from everyone, including the CIA. *Operation Solo* will appeal to movie audiences looking forward to Steven Spielberg's upcoming blockbuster movie, *Bridge of Spies*.
