Building Safety Commitment Daniel J. Moran Ph.D.

Building Safety Commitment takes you through a set of skills-building experiences aimed to improve your dedication to safety at work. This book helps you increase your motivation toward safety, improve your “situational awareness” so you are better at detecting hazards and handling distractions, and gives you tools for dealing with obstacles that impede safe action. Building Safety Commitment is based on over 20 years of scientific evidence, and you can integrate the applications from this book into the safety processes you already have in place with your organization.
