## My Heart Remembers, a western romance (Wyoming Wildflowers Book 3) Patricia McLinn

Lisa Currick was once as bright and open as the sunny Bur Marigold wildflower of her native Wyoming. That's how New York City Detective Shane Garrison has remembered her since she figured in his first investigation eight years ago. But when he arrives in her western hometown determined to resolve the final element of that case, he discovers the girl he's remembered has become a very different woman. Once open-hearted and artistic, Lisa has put all that aside for a life of order and discipline. And Shane wants to know why. He can't forget the girl, but he's fascinated by the woman who challenges him to find answers inside himself.
