On Thin Ice Susan Andersen

Blood

At first, the victims seem random, casualties of bad luck or bad judgment. But the body count keeps growing, until there's no denying the trail of death that makes its way from city to city. And always, it leads right to Sasha Miller's door.

Runs

Sasha's ice-skating career was almost destroyed when her partner was jailed on drug charges. Through sheer determination she rebuilt her life, yet lately, she can't shake the feeling she's being watched. Undercover DEA agent Mick Vinicor was convinced Sasha had something to hide. Now he's realizing how much she has to fear. . .

Cold

The nightmare has begun again. But this time, the stakes are much higher. Someone has been waiting to make Sasha pay--someone who'll show her that vengeance is twisted, merciless, and colder than the grave. . .

"Riveting and absorbing. . .sensual and emotional. . .dynamic suspense." *–Romantic Times*

From reader reviews:

Robert Thomas:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite e-book and reading a reserve. Beside you can solve your condition; you can add your knowledge by the reserve entitled On Thin Ice. Try to face the book On Thin Ice as your buddy. It means that it can to get your friend when you sense alone and beside those of course make you smarter than in the past. Yeah, it is very fortunated for yourself. The book makes you more confidence because you can know anything by the book. So , we should make new experience as well as knowledge with this book.

Candice Sharkey:

As people who live in the actual modest era should be change about what going on or information even knowledge to make them keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by reading books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what type you should start with. This On Thin Ice is our recommendation to make you keep up with the world. Why, since this book serves what you want and want in this era.

Walter Rojas:

People live in this new day time of lifestyle always try and and must have the time or they will get wide range of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely sure. People is human not really a robot. Then we inquire again, what kind of activity do you possess when the spare time coming to you actually of course your answer can unlimited right. Then do you try this one, reading guides. It can be your alternative throughout spending your spare time, often the book you have read is usually On Thin Ice.

Florence Ross:

Don't be worry when you are afraid that this book may filled the space in your house, you may have it in e-book means, more simple and reachable. This On Thin Ice can give you a lot of pals because by you checking out this one book you have matter that they don't and make an individual more like an interesting person. This particular book can be one of a step for you to get success. This publication offer you information that probably your friend doesn't learn, by knowing more than different make you to be great men and women. So , why hesitate? Let me have On Thin Ice.
