Webster's bibliographic and event-based timelines are comprehensive in scope, covering virtually all topics, geographic locations and people. They do so from a linguistic point of view, and in the case of this book, the focus is on "Sluggers," including when used in literature (e.g. all authors that might have Sluggers in their name). As such, this book represents the largest compilation of timeline events associated with Sluggers when it is used in proper noun form. Webster's timelines cover bibliographic citations, patented inventions, as well as non-conventional and alternative meanings which capture ambiguities in usage. These furthermore cover all parts of speech (possessive, institutional usage, geographic usage) and contexts, including pop culture, the arts, social sciences (linguistics, history, geography, economics, sociology, political science), business, computer science, literature, law, medicine, psychology, mathematics, chemistry, physics, biology and other physical sciences. This "data dump" results in a comprehensive set of entries for a bibliographic and/or event-based timeline on the proper name Sluggers, since editorial decisions to include or exclude events is purely a linguistic process. The resulting entries are used under license or with permission, used under "fair use" conditions, used in agreement with the original authors, or are in the public domain.

From reader reviews:

Jeffrey Paolucci:

Book is actually written, printed, or outlined for everything. You can know everything you want by a book. Book has a different type. As it is known to us that book is important issue to bring us around the world. Beside that you can your reading proficiency was fluently. A reserve Sluggers: Webster's Timeline History, 1850 - 2007 will make you to be smarter. You can feel far more confidence if you can know about every little thing. But some of you think in which open or reading the book make you bored. It's not make you fun. Why they could be thought like that? Have you searching for best book or ideal book with you?

Debra Riggs:

This book untitled Sluggers: Webster's Timeline History, 1850 - 2007 to be one of several books which best seller in this year, this is because when you read this book you can get a lot of benefit upon it. You will easily to buy that book in the book shop or you can order it through online. The publisher of the book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Smartphone. So there is no reason for your requirements to past this guide from your list.

Theodore Mullis:

The reason? Because this Sluggers: Webster's Timeline History, 1850 - 2007 is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book next to it was fantastic author who all write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your ability and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the e-book store hurriedly.

William Sam:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Sluggers: Webster's Timeline History, 1850 - 2007 can make you sense more interested to read.
