"On other occasions, he broke into victims' homes and beat them to death or near death as they slept. He took trophies, including at least a dozen victims' heads, which he kept in his apartment. He not infrequently visited his body dump sites; there he'd groom the victims' decomposing corpses with cosmetics to make them look alive before having sex with them. He's known to have said his rapes and murders weren't about lust or violence; instead, they were about control."
