## **SAVE ME**

Callum Gatlin is dangerous. Callum Gatlin hates me.

And now? Callum Gatlin is my stepbrother.

I've been broken since Dad died. Crippled by pain and the secrets I keep. I'm supposed to be perfect—the good girl with the 5.0 GPA and a ticket to Harvard. The last thing I need is a sexy as hell, tattooed bad boy stalking me, flirting with me, and calling me Sis with a cheeky grin. Especially if that bad boy is my obsessed childhood bully. Cal Gatlin.

I hate him.

But now that we're forced together, both of our acts are breaking down. He's seeing the weak, imperfect side of me I've been terrified to show to anyone. And I'm discovering the pain beneath his cocky bad boy mask. Deep down, we're both just as broken as the other.

Loving Cal Gatlin hurts. It's dangerous. It's reckless. But maybe we can save each other.

## **WICKED GAME**

Damien Blackwood: Billionaire. Manwhore. Celebrity. My ex-stepbrother, and the man who broke my teenage heart.

His latest lie? Tricking me into marrying him.

He's dark, dangerous, and obsessed with me. Damien Blackwood is the playboy billionaire who gets everything he wants. Except for me. I'm the only woman who has ever refused him ... and that means I'm irresistible.

Damien will stop at nothing to have me. And I'll never give in.

But then his father dies and leaves one rule in his will: Damien has to get married, or he loses his entire fortune. Secretly, Damien makes me a deal. Marry him, pretend to be in love in front of every tabloid and newspaper in the world, and he'll give me the money I need to finally escape him.

I hate him. But I need the money.

I'm marrying my psychopath ex-stepbrother, the one who took my virginity and broke my heart. And it's making me the most famous woman in the country.

Someone kill me now.
