## **Genesis Versus Darwinism: Abridged Version Especially for Adventists** Dr Desmond Ford

This book answers the objections of unbelievers to the early chapters of Genesis and sets out in clear detail the scientific evidence that discredits the influential teaching of Charles Darwin. The everlasting gospel proclaimed in Scripture is central to this book, and readers will be challenged and edified by these pages. There is no other volume in print that covers so much ground, and yet it is easy reading. This abridged version has eight added articles especially for Seventh-day Adventists. "I believe in Heaven, nothing else makes sense of Earth."
