Great Masturbation Techniques For Women Jill Stuart

While the act of masturbation is usually connected to men, many do not realize that women have also been masturbating for centuries, either unconsciously or consciously. The primal need to satisfy oneself sexually is therefore something that may seem enigmatic in nature but is actually done by many women worldwide.

I love masturbating, and I do it almost everyday, sometimes twice a day. In this book I talk you through my masturbation techniques, both with hands and toys.
