I think about YOU

K.S. Thomas

I think about YOU K.S. Thomas

A contemporary romance about first love.

And second chances.

About learning when to move on.

And when to look back.

One's dream can be a funny thing. A collection of random thoughts. A compilation of your deepest fears and desires. A sign?

Most days, Marissa leaves dream interpretation to the psychologists and psychics, but when her subconscious churns out a vision of her first love so real it jars her from her sleep, she can't help but wish she knew what it meant. Or at the very least, what the lingering feelings still present long after she's awake, mean.

Drew isn't looking for signs. Mostly, he's just trying to avoid them. Like the street sign that marks the turn to her old house. Or the stop sign at the edge of town, reminding him where he belongs and what else is out there. Her. Marissa. She's out there. But that doesn't matter anymore.

Until...
