Have you ever wondered what twisted perversions the elite 0.01% get up to in their ivory towers?

College student Sadie is thrilled when her idol, conceptual artist Giles Kelcher, asks her to participate in a groundbreaking interactive art project. The top-secret event involves a dozen or so of the wealthiest and most respected men in the world feeding from her engorged breasts.

But that's not all! There are more tasty treats in store for the politicians, tycoons and rock stars, thanks to the other young women involved. Crammed with crazy kinks too hot for this blurb, this freaky little story is a delectable delight that'll leave you hungry for more.
